

**Westfield Technical Academy
Collision Technology Department
Advisory Meeting
33 Smith Av. Westfield Ma.**

Meeting

March 20, 2019

6:00 pm

Agenda:

- Guest speaker Mr. Papageorg, the Executive Director of Mass Alliance of Automotive Service Providers.
- Find ways to re-invigorate the relationship between Westfield Technical Academy Collision and local business.
- Student's internships with area businesses.
- Student's cooperative job placement. (Specialty Sandblasting has recently hired a senior.)

Old Business

- Classroom heat has no thermostat. (Heat is still controlled from a light switch.) No action taken since last meeting.
- Paint booth #2 has no louvers in the exhaust stack from stopping the cold air from coming into the shop.
- Two heaters in the shop are broken. Need replacement. (Bids are now being taken.)
- Paint booth #2 is used to compensate for heating of the shop.
- Shop lighting and painting.
- Shop dust collectors.
- Intercom system replacement. Safety concern. (Mr. Rogers said this was being addressed.)

- Insufficient budget due to increasing cost of products and materials over the past 10 years.
- Storage.
- Replacements for Mr. Cardin and Mr. Storozuk.
